More than just beautiful walls

Nippon Momento™ is formulated with low VOC, it's also free from formaldehyde and contains no lead or mercury, creating a healthier environment. It is recommended for interior walls, ceilings, cement based plaster, gypsum based plaster, brickwork, hard and soft boards and asbestos.

Low odour & low VOC
Almost no paint smell and less VOC emission.

Non-toxic solvent
No lead, mercury, chrome or heavy metals.

Surface Preparation

- Remove all loose, defective paint or powdery residues
- Repair cracks, uneven surfaces with suitable putty or fillers
- Smoothen the areas with sandpaper
- Clean the area thoroughly and let dry
- Allow all surfaces to dry completely prior to painting

Create your masterpiece

STEP 01
Apply 2 coats of Momento™ Primer onto surface.

STEP 02
Paint 1 coat of Momento™ Top Coat.

STEP 03
Use criss-crossed strokes for desired effect.

STEP 04
After 10-15 minutes, use spatula to smooth over the semi-dried coat.

** All colours shown are as close to the actual Nippon Paint colours as modern printing techniques permit.*
** Colour appearance / finishing will vary according to amount of coats, style of stroke applied and individual painting methods.*
