FABRIC SERIES | MULBERRY SILK

## Fabric Series

## Mulberry Silk

The gentle colour palette imparts a sense of warmth and elegance, exuding a discreetly luxurious and tranquil ambiance. The seamless harmony of soft colours effortlessly complements interior colour schemes, allowing you to masterfully coordinate your living spaces. Rich, deep shades, delicately applied, breathe new life into any colour palette. Used as a subtle accent in a small area or as a bold statement across a larger canvas, the layering of colours, monochrome or multi-hued, adds depth and sophistication to your surroundings.

## Fabric Series

## Mulberry Silk

This elegant multi-layered texture mimics the fine, natural quality of silk threads. Organic and seamlessly continuous, it captures the beauty of nature in every detail. The rich palette of colours can be seamlessly incorporated into interior colour schemes or used as an accent in any stylish space. It creates a canvas that can evoke classic, opulent or contemporary style, allowing you the freedom to personalise the ambiance of your home.

Features:  
 Silk-like, delicate, natural; a wide range of colours to suit every mood and personality;  
 water-based formula, safe and environmentally friendly.
